OUTDOOR PASSION & IN DEPTH ARTICLES

Since 2001 the name “Luksus” (meaning luxury in Danish) has been the essence of the activities of Luksus Media: Quite simply because we believe that it is a luxury to travel, be in the nature and live an active life.

Luksus.land is an online site focusing on outdoor life, travel, adventure, exercise and an active lifestyle – and identifying trends within the Danish and international outdoor life. The ambition is to make a difference and we must dare to take new paths and explore life.

The site has a popular newsletter called the ‘The Bottle Post’ that dives into some of the most emerging issues of outdoor culture.

To keep it short its goal is to provide inspiration for all dedicated Danish outdoor and adventure enthusiasts.

NORDIC ADVENTURE FILM FESTIVAL

THE LARGEST ADVENTURE FILM FESTIVAL IN SCANDINAVIA

Nordic Adventure Film Festival – formerly Danish Adventure Film Festival – is the largest and oldest adventure film festival in Scandinavia with more than 25 years of presenting movies on the big screen for outdoor and adventure enthusiasts.

The festival was founded as a collaboration between a number of filmmakers and the Danish Film Institute to show today's best adventure movies in full cinematic quality – a rallying point for the Nordic adventure film scene.

The festival has grown substantially in the last couple of years and is now in the largest cities in Denmark. The festival consists of more than 35 adventure films from around the world. We are proud to present the biggest and most ambitious adventure film festival in Scandinavia.
